The Department of Administration has indicated that use of this form complies with the notice requirement and no separate documentation is needed.</p> <p>This form can also be used for appointments under §978.05(8)(b), Wisconsin Statutes, when an attorney from another prosecutorial unit or assistant attorney general is appearing for and assisting the district attorney. Technically, no formal order need be made in these cases. However, many district attorneys and courts prefer to have a formal appointment order in these cases so that a paper trail exists of the authority of such a person to act.</p>
